

PEDIGREE DYNAMICS

AGNES WORLD

The three lines of Native Dancer (two through his daughter Natalma) in Agnes World would be assisted by other LA CHICA family members such as Misty Day, First Consul, Bold Lad (USA) and Successor in broodmare pedigrees. **SNIPPETS** has Misty Day (and another line to Native Dancer). In future, daughters of **SECRET SAVINGS** will also look good with Agnes World, as he traces directly to La Chica.

Danzig's grandsire Nearctic (who appears twice through the duplication of his son Northern Dancer) works very well with **STAR KINGDOM** and **ALIBHAI**, who both repeat his Hyperion / Tracery cross.

Agnes World traces in direct tail female descent to **DEMOCRATIE**, who is the third dam of the Australian Champion Sire, **SHOWDOWN**. Mares carrying Showdown should have a genetic advantage with Agnes World. **ZEDITAVE**, a grandson of Showdown, also contributes another line to Native Dancer (through a son) as well as carrying Nimbus, a half brother to Grey Sovereign, Agnes World's fourth damsire.

RED RANSOM and **MUSSORGSKY** are also from the same tail female family of Agnes World. Daughters of Red Ransom's son **SRI PEKAN** look appealing.

The combination of the similarly bred Court Martial (through a daughter) and Petition in Agnes World can be boosted by mares carrying **COURT MARTIAL** through a son, such as **WILKES**, who is the sire of **VAIN**.

CITIDANCER's daughters create a very interesting pattern with Agnes World. Not only is he by Lomond, a half brother to Agnes World's damsire Seattle Slew, he also adds another line to both Court Martial and Petition

The **MR. PROSPECTOR** line has had much success with Danzig. An additional attraction is that Agnes World's damsire Seattle Slew is from the same family as Mr. Prospector, both tracing to **FRIZETTE**.

Agnes World's sire Danzig is from the **TWINE THE PLAIDEN** family and would benefit by the presence of other family members **BLETCHINGLY**, **ROCKEFELLA**, **KAMPALA** and **SHOWOFF II**.

Rockefella can be found in mares by **BALMERINO** and **STAR WAY** and in mares carrying the brothers **KEEN**, **KRIS** or **DIESIS**.

Sons of Bletchingly include **CANNY LAD, TAKE YOUR PARTNER, CORONATION DAY, LORD BALLINA, RIGOLETTO, OPERA PRINCE, KENNY'S BEST PAL, SIR LAURENCE, BEST WESTERN, COSSACK WARRIOR** and **BUREAUCRACY**.
