BROODMARE SIRE COMPATIBILITY
“CARRY A SMILE”

As Carry a Smile has been standing successfully at stud for ten years, analysis of the broodmares with which he has been most successful can assist breeders to add to his list of stakeswinners.

Duplicating Carry a Smile’s great grandsire **Round Table** is working, with the Group 1 WATC Derby winner Capricious Lass carrying this ancestor through her dam as well. **Sir Tristram, Dauberval, Don’t Say Halo** and **Bletchley Park** carry Round Table.

Another ancestor who appears in several of Carry a Smile’s stakes performers is **Alycidon**. Our Cutey and Ceptor Smile are both by **Inceptor**, a descendant of Alycidon, while Sourire, Balmoral Gate and Comedy Pak also carry Alycidon. **Fimiston, Old Spice, Congressman** and **Belele** can all contribute more Alycidon.

Not only is he second damsire of Carry a Smile, **Star Kingdom** is also appearing in the dams of Carry a Smile winners. Smiley Beau, Enchanting Smile and He’s True Blue are examples.

Broodmares with good representation of Nasrullah are also finding favour with Carry a Smile. Casinella, Grandstand and Merry Minka (by **Cheraw**) support this point.

Haulpak’s sire Dignitas is bred on a Princequillo / Nasrullah cross. This pattern works very well when repeated in matings. Mares carrying **Mill Reef, Secretariat, Riverman, Godswalk, First Consul, Imperialist, Seattle Slew, Lomond, Without Fear** and **Kris S.** will reinforce this pattern.

Haulpak’s damsire Port Vista is from the same family as **Is It True**, both tracing to LADY BUZZER.

Champion Fillies Stakes winner Secret Weapon is out of a **Beau Sovereign** mare.

Covetous is from a half sister to Haulpak’s dam and carries Star Kingdom and Alycidon.
