

Observations on Secret Savings

Secret Savings traces directly to LA CHICA, who is also the ancestor of such influences as Native Dancer (who appears on Secret Savings' tail male line), Bold Lad (ex Misty Morn –in Dolphin Street), Successor, Bold Consort (dam of First Consul), What a Pleasure (in Scenic and Dash o' Pleasure) and Misty Day (in Snippets).

Breeding Dash for Cash with mares from the Northern Dancer line sex balances Native Dancer.

Dash for Cash is linebred to SECLUSION via Seeking the Gold, Reviewer and Rego. Star Appeal is another family member which can be accessed in mares by his son Star Way.

Dash for Cash's second damsire Kalaglow is a relation of Persian Gulf, Precipitation and Mellay.
