

PEDIGREE DYNAMICS

FILANTE

Filante's pedigree carries some strong linebreeding patterns which can be utilised by a wide variety of broodmare lines.

Filante's dam, the talented racemare, Eau d'Etoile, is herself line bred to ALOPE through descendents Round Table and Prince Bright. Other family members to look for in mare pedigrees are **Atan, Known Fact, Alcide, Doutelle, Parthia, Imperialist, Aureole and Gone West**. Broodmare sires carrying these individuals include **ACECAY, CREESE, SWITCH IN TIME, BUREAUCRACY, RIVERTON, COSSACK WARRIOR, ST. JUDE, RED ANCHOR, PREGO and MAGIC RING**.

Round Table appears through a daughter in Filante. Desirable sex balancing of Round Table can also be achieved by the use of mares by **POMPEII COURT, AIR DE FRANCE, CITIDANCER, DON'T SAY HALO, HAULPAK, DIGNITAS** and those carrying **WITHOUT FEAR**. They all carry Round Table through sons.

Filante is bred on the very successful cross of Star Way and Sir Tristram. The strength of this combination can be attributed to the fact that they both trace to the prepotent taproot mare GONDOLETTE. Filante should work very well with mares carrying more of this family through ancestors such as **Hyperion, Mossborough, Sickle, Pharamond, Fair's Fair and Big Game**, which are commonly found in pedigrees. Broodmare lines strong in the Gondolette family include **Star Kingdom**, especially through **BISCAY**.

Star Way's great grandsire Herbager is a half relation to **Le Filou**. Stay Way's multiple Group One winning son Sky Chase is the product of line breeding to this family, having Le Filou as his second dam. Sir Tristram has also worked well with Le Filou, producing Grosvenor and Military Plume from mares carrying this individual.

A less familiar individual in Filante's pedigree is his third damsire, Jekyll. He is however, closely related to **Precipitation and Persian Gulf**. Suitable broodmare sires carrying at least one line to this (the DOUBLE LIFE) family include **BLUEBIRD, MUKADDAMAH, COSSACK WARRIOR, KING'S ISLAND, RIVERTON and SIR DAPPER**. Mares with **Mellay, Charlottown, Summertime, Agricola or Latin Lover** in their pedigrees also carry this family.

Another family well worth reinforcing is the MARCHETTA line. Represented in Filante by Klairon, Turn-To, My Babu and Alycidon, it can be further boosted by such ancestors as **Irish River, Atilla, Agricola, Bustino, Acropolis, Borealis, Arise, Pharamond II, Hotfoot, Sayani, Ambiorix and Stunning**, to name a few. **BRIEF TRUCE, TWIG MOSS, CHERAW, TERRENO, RIVERTON, PALACE MUSIC, CENTURY,**

RUBITON, EUCLASE, BUREAUCRACY, CREESE and **DON'T SAY HALO** mares all contribute more of this prepotent family.

A 'sex balanced' duplication of Sir Ivor is achieved in matings with broodmares by **BLUEBIRD, MAGIC RING, NEDIYM** and **UMATILLA**.

Filante also provides an outcross for the **Northern Dancer, Mr. Prospector** and **Star Kingdom** lines, those lines having been proven to work with his sire Star Way and/or damsire Sir Tristram.
