

## **Observations on Hold That Tiger**

Hold That Tiger's damsire Caveat is a close relation of Sound Track, who is damsire of successful W.A. based sire, Ksar. Caveat is by Cannonade, a rarely seen member of the ALMAHMOUD family.

With Northern Dancer on Hold That Tiger's tail male line, other members to look for from this line include Halo, Machiavellian, El Moxie, Youthful Legs, Eagle Eyed and Danehill.

Storm Cat is a close relation of Royal Academy and matings with his daughters would create 4f x 3m inbreeding to CRIMSON SAINT.

Storm Cat's damsire Secretariat is a half brother to Sir Gaylord, who is easily accessed via daughters of Sir Tristram and his sire sons.
