

PEDIGREE  **DYNAMICS**

Mujahid

As a sire prospect, Mujahid's pedigree is certainly built on a success-over-success formula. He is by Danzig, the current leading sire of stakeswinners to foals, out of a mare by Storm Cat, the current leading U.S. sire by earnings.

The duplication of Northern Dancer lends itself beautifully to Star Kingdom-line mares, while the presence of Secretariat as Storm Cat's damsire suggests that Sir Tristram line mares (or any other pedigree carrying Secretariat's half brother Sir Gaylord) should work very well with Mujahid.

Mujahid's dam is bred on a very similar cross to Bluebird, being from the Storm Bird sire line and from the same female family.
