**PEDIGREE**  **DYNAMICS**

*Northern Drake*

His sire Varick is a close relation to Serheed, best known as sire of Northerly. A cross with his daughters not only produces inbreeding to Dinner Partner, is also creates a sex balanced duplication of Raise a Native.

Northern Drake's damsire Northfields is a half brother to Habitat and from the family of Dancer's Image (sire of Godswalk) and should appreciate their presence in broodmares.

Northern Dancer and Honeyway in his pedigree form an invitation for Star Kingdom line mares, who echo their Papyrus / White Eagles crosses.

The Pretty Polly family is strong in Northern Drake. The presence of fellow family members such as St. Paddy, Gold Sovereign, Great Nephew, Seventh Hussar, Romantic, Supreme Court, Arctic Explorer, Vienna, Luthier and Pardao in mares will help to increase the influence of this prepotent family.
