

BROODMARE SIRE COMPATIBILITY

‘SNOWLAND’

Inbred to Northern Dancer, Snowland should work well with **MR. PROSPECTOR** line mares, by such broodmare sires as **WOODMAN, MR. HENRYSEE, BELLOTTO, GEIGER COUNTER, EL MOXIE, CANADIAN SILVER, VARICK, THUNDER GULCH, SECRET SAVINGS, RAISE A CUP, CLEAR CHOICE** and **UMATILLA**.

STAR KINGDOM not only works very well with Northern Dancer, but in addition, Silly Season (grandsire of Snippets) is from Star Kingdom's family. Mares carrying such influences as **BLETCHINGLY, MARSCAY, TODMAN, SHIFNAL** and **NOHOLME II** look very appealing.

The **HALO** line is also desirable for Snowland, as he is from Northern Dancer's family. He is accessed through **DON'T SAY HALO, IRGUN** and **RIVOTIOUS** mares, with several young Halo line sires ready to start providing broodmares in the next few seasons.

Snippets' damsire Grand Chaudiere is from the **SUNSHOT** family. Bold Reason, Solferino and Never Bend are other family members to seek in mares' pedigrees. Mares by **SADLER'S WELLS, FAIRY KING, TATE GALLERY, SCENIC, BRIEF TRUCE, SPECTRUM, DON'T SAY HALO, HULA CHIEF, SWITCH IN TIME** and **RIVOTIOUS** supply these influences.

SADLER'S WELLS, FAIRY KING and **TATE GALLERY** are also from the same family as Thatching (second damsire of Snowland) and his sire Thatch. **NUREYEV, GEIGER COUNTER, VAL DE LOIR, LORENZA CCIO** and **OPEN DAY** are other relations. **ZABEEL** (his son **OCTAGONAL**) and **BARYSHNIKOV** carry two of these family members.

Snowland is from the immediate family of **AL HAREB**, with his daughters creating sex balanced inbreeding to ancestress Icing.

Snowland is bred on reinforcement of the **LA CHICA** family. Snippets carries Misty Day and Native Dancer, while Snowland's dam Snowdrift contributes Native Dancer and Misty Morn. **SECRET SAVINGS, SUCCESSOR, BOLD LAD, GRAY PHANTOM** and **WHAT A PLEASURE** are other family members which will further boost this pattern.

The great speed influence, Grey Sovereign is present 5f x 6f. He can be found through sons in broodmare sires such as **KENMARE, SOVEREIGN EDITION, RAFFINDALE, PLUSH, ROYAL YACHT, ADRAAN, FRANCIS BACON** and **CURRAVILLA**.

Snowland's damsire Polish Precedent is bred on the same Danzig / Buckpasser cross as **DANEHILL**.
