BROODMARE SIRE COMPATIBILITY
XAAR

Xaar is a grandson of Gone West, who hails from a family with many connections in Australasia. As a descendant of ALOPE, Gone West will be reinforced by the presence of other family members such as Round Table, Knight Commander, Atan, Alcide, Aureole, Known Fact, Tell, Prince Bright and Imperialist. Broodmare sires such as **SIR TRISTRAM, POMPEII COURT, HAULPAK, MUKDDAAM, SONG OF TARA, ACECAY, BUREAUCRACY**, and mares from the **SHARPEN UP** line boost this family.

SIR TRISTRAM has an added advantage in that he is a son of Sir Ivor, thereby sex balancing this influence in a mating with Xaar. His sire sons at stud include **MARAUDING, ZABEEL, DR. GRACE, WESTMINSTER** and **GROSVENOR**.

A tail female line descendant of TORPENHOW, Xaar also carries fellow family member, The Minstrel. Suitable broodmare sires from this line (or those by stallions from this line) include **LAST TYCOON, WAAJIB, UMATILLA, HURRICANE SKY, GIELGUD, NEW REGENT** and sons of **NIJINSKY II** such as **WESTERN SYMPHONY, WHISKEY ROAD, ROYAL ACADEMY** and **YEATS**.

WAAJIB mares provide additional linebreeding in that he traces to **BLUE TIT**, who is granddam of Alibhai on Xaar's third remove.

BLUEBIRD and Xaar share many prepotent ancestors and should create a cross with plenty of genetic opportunity. **PALACE MUSIC** mares also create some dynamic patterns with Xaar. Matings which combine sons and daughters of prepotent individuals tend to produce more speed, and Palace Music offers reinforcement of The Minstrel,

Princequillo, Turn-to, Mahmoud and Motto - all through 'opposite sex' progeny to those carried by Xaar. Daughters of his son **NATURALISM** also looks appealing with Xaar.

The presence of Nearctic and Alibhai in Xaar is encouraging for **STAR KINGDOM** line mares, as Star Kingdom shares a Hyperion / Tracery cross with these two. **LUSKIN STAR** mares contribute further desirable attributes.

NOALCOHOLIC, a son of Nearctic, creates a duplication of this ancestor as well as inbreeding to **TRAFFIC COURT**, dam of Traffic Judge in Xaar and Hasty Road in Noalcoholic.
